

This screenshot shows a dark-themed interface of a PDF editor or viewer. The top bar includes standard window controls (minimize, maximize, close) and a toolbar with icons for back, forward, search, and other functions. The main menu on the left is titled "More" and contains the following items:

- Save & Close
- Save As...
- Save As (Advanced)...
- Save As Template
- Convert
- Print
- Send copy of PDF
- Export Text Reviews
- Annotations
- Page Manipulation
- Document Info

The right side of the screen features a vertical toolbar with various icons and numerical values (e.g., 1.5, 10, 12, 20). The bottom of the screen shows a taskbar with pinned application icons and a system tray with weather information (19°C Mostly clear), language (ENG), date (1/20/2026), and a battery icon.

Pressure-sensitive ink

Use a stylus on your touch screen? Pressure sensitive ink offers an inking experience that feels and looks like pen pressed to paper. More pressure using your stylus = heavier ink and less pressure = lighter ink. Easily switch this feature on and off to suit the way you work. Feel the difference on Pro.

This screenshot captures a dark-themed interface of a digital annotation or markup tool. At the top, a header bar features standard file operations like 'New Document', a '+' icon, and sharing options ('Upload / Share', 'Basic Upgrade'). To the right of the header is a page number '1 of 1'. Below the header, a large modal window is centered, titled 'Choose new tool'. This modal contains tabs for 'Free-form', 'Shape', 'Review', 'Measure', 'Insert' (which is currently selected), and 'Select'. A search bar labeled 'Search tools' is also present. The 'Insert' tab section displays several icons for different types of annotations: 'Note' (document icon), 'Bookmark' (book icon), 'Signature' (signature icon), 'Image from Camera' (camera icon), 'Image from File' (image icon), and 'Hyperlink' (link icon). Below these are four more icons: 'Audio note' (microphone icon), 'Markup Library' (bookshelf icon), 'Equation' (pi symbol icon), and 'Snapshot' (camera icon). At the bottom of the modal, a callout reads 'Get the right tool for the job' followed by the text 'The subscription toolset is available on all paid plans' and a yellow 'Upgrade' button. The background of the application shows a dark workspace with a vertical toolbar on the left containing icons for file operations like back, forward, and save, and a horizontal toolbar at the bottom with various application icons. The bottom status bar displays system information such as network status, battery level, and a date/time stamp of '8:33 PM 1/20/2026'.

This screenshot shows a dark-themed digital annotation or review application. At the top, there's a header with a back arrow, a 'New Document' button, and a plus sign for creating a new document. To the right of the header are buttons for 'Upload / Share' and 'Basic Upgrade'. Below the header, a progress bar indicates '1 of 1'. On the left side, there's a vertical toolbar with various icons for file operations like saving, opening, and sharing. The main workspace is dark, and a floating modal window titled 'Choose new tool' is displayed in the center. This modal has tabs for 'Free-form', 'Shape', 'Review' (which is currently selected), 'Measure', 'Insert', and 'Select'. It also features a search bar. Below the tabs are several tool icons: 'Text Highlight' (green T), 'Underline' (red T), 'Squiggle' (blue T), 'Strike-through' (purple T), 'Text Cleaner' (yellow T), 'Text' (blue T), 'Callout' (orange square), and 'Redaction' (red square). At the bottom of the modal, there's a note about getting the right tool for the job and a link to upgrade to a paid plan. The bottom of the screen shows a taskbar with a search bar, system tray icons, and a clock indicating it's 8:33 PM on January 20, 2026.

The screenshot shows a digital note-taking application interface with a dark theme. A floating panel titled "Pen" is open, displaying various settings for the writing tool. At the top of the panel is a section labeled "Tool subject" with a blue pen icon. Below this are three pen style options: "Basic" (Fixed width), "Pro" (Variable width), and "Calligraphy" (Dynamic width). A slider indicates the line thickness at 1.5pt. The "Appearance" section features a color palette with red, blue, black, green, purple, orange, and yellow, along with a brightness slider set at 100%. The "Smart inking" section includes three toggle switches: "Ink Pressure" (Sensitivity level), "Ink to Line" (Smart line recognition), and "Ink to Shape" (Smart shape recognition). At the bottom of the panel is a promotional message: "Make writing pleasurable with our pressure-sensitive smarts + more" followed by a yellow "Upgrade" button. The main workspace is visible in the background, showing a single page with the number "1 of 1". The left sidebar contains icons for file operations like New Document, Save, and Share, as well as a search bar and a list of recent documents. The bottom taskbar shows the Windows Start button, a search bar with the text "Type here to search", and a row of pinned application icons including File Explorer, Task View, Mail, WhatsApp, Microsoft Edge, and others. The system tray at the bottom right displays the date and time as "8:31 PM 1/20/2026", the location as "India reported 58719...", and language settings as "ENG".
